PURPOSE

To explain to our school community the Department's and Anakie Primary School's policy requirements and expectations relating to students using mobile phones during school hours.

SCOPE

This policy applies to all students at Anakie Primary School

DEFINITIONS

A mobile phone is a telephone with access to a cellular (telecommunication) system, with or without a physical connection to a network.

POLICY

Anakie Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Anakie Primary School:

- Students who choose to bring mobile phones to school must have them switched off and securely stored in the provided lockers in the school office during school hours
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Anakie Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Anakie Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Anakie Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items.

Where students bring a mobile phone to school, Anakie Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Anakie Primary School students are required to store their phones in the provided lockers at the school office.

Enforcement

At Example School inappropriate use of mobile phones is **any use during school hours**, unless an exception has been granted, and particularly use of a mobile phone:

- in any way that disrupts the learning of others
- to send inappropriate, harassing or threatening messages or phone calls to engage in inappropriate social media use including cyber bullying
- to capture video or images of people, including students, teachers and members of the school community without their permission

Exceptions

Exceptions to the policy:

- may be applied during school hours if certain conditions are met, specifically,
 - Health and wellbeing-related exceptions; and
 - Exceptions related to managing risk when students are offsite.
- can be granted by the Principal, or by the teacher for that class, in accordance with the Department's [Mobile Phones — Student Use Policy](#).

The three categories of exceptions allowed under the Department's [Mobile Phones — Student Use Policy](#) are:

1. Learning-related exceptions
